

*Bow-Dacious World-on-a-String 2008 Summer Camp  
Daily Bring-Along List*

You must bring the following items to camp with you—  
*every single day!*

1. Yourself
2. Instrument
3. Music folder (provided)
4. Pencil
5. Music stand (labeled with your name, please)
6. Any medication or other special items you may need (This should be indicated on your medical info form. Please update at registration as needed!)

Please label all personal items with your name before camp starts!

There will be a place you can stash your music folder, stand, and pencil if you don't want to haul them each day. We can arrange to lock up larger instruments so you don't have to lug them each day.

*Don't leave home without it!*
